

Hi Walt: 4- 3 May '64

The busy Singapore River
Singapore

Our plans were changed abruptly
Friday - They sold too many tickets
on Thai Int'l. Air Lines. So we went
to Spore. Today we go back to Kuala
Lumpur. Manila Tuesday, Honolulu
Friday.

This has been a fabulous trip
so far. Many sounds, sights and
smells! Everybody out for the
Yankee dollar, tho.

Got some pix yesterday you will
be interested in.

Regards - Bill M.
