NANTUCKET ISLAND
30 Miles at Sea

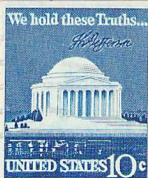

Nantucket maintains the colorful traditions of a long gone yesteryear, the treasured antiquities of two centuries. Its sun-drenched moors, the ocean-washed, health-giving air, the miles and miles of rockless, white sandy beaches, delight the visitor.

Dear May,

Had a good trip
dawn but weather sat,
cold & windy. Went to
mass at St. Mary's &
offered it up for you.
Hope you are improving.

Love
